On motion of D. Bowers, it was resolved to hold the Missionary Meeting in Green Street Church, on Friday evening, at 8 o'clock. Rev. S. B. Southerland presented the following paper which was unanimously adopted.

Whereas, In the agitations and excitement through which the nation has recently passed, some of the churches have been either rent in pieces, or else shaken to the centre, and all of them subjected to sore trial ; and whereas, a time of rest having now come which affords all the ecclesiastical organizations of the land a favorable opportunity of calmly surveying their past career, both before and during the civil strife, and in the light of that retrospect to intelligently indicate future action ; and whereas, there having been within our pale occasional utterances suggesting, in certain contingencies, the expediency of merging the Methodist Protestant Church in some other ecclesiastical body ; and whereas, originating with these suggestions, there are conjectures and rumors afloat which are calculated to render our position and purposes doubtful or ambiguous with the community, and thereby to hinder our progress, therefore, be it *resolved*, by the Maryland Annual Conference of Ministers and Lay Delegates of the Methodist Protestant Church, in Conference assembled,

1. That we hereby sincerely express our profound gratitude to God that throughout the past, notwithstanding the pressure upon us, in common with that upon other churches, our ministry have been enabled to keep on their way in their devotedness to the one great and exclusive work which the Lord Jesus Christ has committed to His ambassadors-- that of reconciling men to God.

2. That we hereby also render tribute of unfeigned thanksgiving for the manifest tokens of His approbation upon the line of duty which we have thus conscientiously and undeviatingly pursued ; and that, in humble dependence upon His continued support, it is our purpose whatever may come, to go forward in the same path, and to abide by the same calling.

3. That our past experience fully establishes in our minds both the piety and the wisdom of our fathers, in laying down the broad distinctive principles of our Constitution and Discipline, as based upon Revelation and human rights, and as eminently adapted to promote the happiness and usefulness of all Christian people.

4. That, with these convictions deep in our hearts, we can, in candor, avow as our purpose, nothing short of continuing to hold fast and maintain intact the *Doctrines*, the *Government*, and the *Name* of the Methodist Protestant Church.

Conference then adjourned with Doxology and Benediction.

Balch be also requested to deliver a Lecture on clerical manners and habits, the President to fix the hour, was unanimously adopted by the Conference.

The report of the Book Directory was read by T. D. Valiant, and on motion, was referred to the Committee on Literature.

The examination of official character was then resumed.

The following report of a special Committee was adopted as follows:

The Committee appointed in the case of certain papers from Dr. Thomas Sim, of Liberty Circuit, beg leave to report that upon a careful examination of the papers they believe that the Conference have no jurisdiction over the matter, and that the course of Bro. Shermer, as Superintendent of Liberty Circuit, has been regular and legal, and they recommend that his character pass.

Communications were received and read to the Conference, from Rev. E. J. Drinkhouse, John Morgan; also a let-

ter from Rev. George Nestor, which was read and referred to the Committee on Ecclesiastical Communications and Visitations; also one from the President of the Virginia Conference, which was referred to the same Committee. Said letter contained a request for an appropriation to Hampton Mission, which was referred to the Committee on Missions.

Conference granted the special Committee in case of Rev. W. H. Hopkins, leave to report, which was adopted as follows :

Whereas, The silence of the Conference in cases where ministerial members have severed their connection therewith in an abrupt and irregular manner, has a tendency to give license to treat obligations to this Conference and the Methodist Protestant Church with indifference,

Therefore *Resolved* 1. That while we believe it to be the right of any member of this Body, to leave it for another better suited to his views and feelings; and while we would greatly prefer that he should leave, than that he should remain with a dissatisfied mind, yet we hold that it is incumbent upon such to sever their connection in a regular disciplinary and dignified manner.

Resolved 2. That in all cases where a minister meets his obligations to the Conference and Church, he is clearly entitled to the papers guaranteed to him by the Discipline. But when members of this Body summarily resign their charges and ecclesiastical connection in the midst of the year, and without proper notice to the President, to enable him to supply the vacancy, and subsequently call for their papers, we hereby advise that the papers be withheld.

Resolved 3. That notwithstanding the reasons which the Rev. Wm. H. Hopkins assigns in his letter to the President of the Conference, viz: That he was not aware at the time he left his charge that the Discipline required him to remain until released by the President, nevertheless the Committee are decidedly of the opinion that the Rev. W. H. Hopkins is altogether inexcusable, inasmuch as it was his duty to acquaint himself with his obligations as presented by the Discipline and the Conference.

Resolved 4. That the conduct of Rev. Wm. H. Hopkins, in view of the kindness shown him while among us, and in view of his leaving his charge contrary to our book of Discipline, and also in view of the embarrassment to which he subjected his congregation to which he had been appointed, meets the unqualified disapprobation of this Conference.

Resolved 5. That we hereby recommend that the President withhold from him a certificate of withdrawal, and that his name be erased from the Conference roll.

D. W. BATES,
J. T. WARD,
D. BOWERS.

Conference adjourned with Doxology and Benediction by Rev. T. B. Balch.

FRIDAY MORNING, MARCH 16.

Conference was opened with religious exercises by Rev. J. T. Ward.

On calling the list of business the resolutions on collections offered by J. K. Nichols and J. T. Murray, were re-taken up and passed as follows :

Whereas, Article VII, Section III of the Constitution empowers the Annual Conferences "To make such rules and regulations as may be necessary to defray the expenses of the itinerant ministers, preachers and their families; and for all other purposes connected with the organization and continuance of said Conferences."

And Whereas, The authority of this Conference to order collections has been called in question, and Superintendents in derogation of the authority of the Annual Conference, and in accordance with their own views of expediency, have declined to take up all the collections ordered by the Conference, to the detriment of Conference interests, Therefore

Resolved, That any Superintendent refusing to take up the collections prescribed by Conference is guilty of contempt of this body, and subjects himself to its just censure.

Resolved, That the Stewards be instructed to comply strictly with the resolutions heretofore passed by this body, depriving ministers who fail to take up the prescribed collections, of all claim upon the funds of the Conference.

Resolved, That when a Missionary fails to comply with the requirements of Conference in regard to collections, the sum assessed his Mission, shall be deducted from his claim upon the Missionary fund of the Conference, and appropriated according to the direction of Conference.

The Committee recommend that this Conference instruct its representatives to our next General Conference, to sit in Georgetown, D. The Item in the report of the Committee on Literature, in reference to the request of the Book Directory, that Rev. J. T. Murray be left without an appointment, for the purpose of taking charge of the "*Methodist Protestant*," was adopted, and on motion the report of said committee, as a whole, was adopted. The report is as follows :

The Committee on Literature report, that they have examined the Report of the Book Directory, and are gratified to learn of the increased income of the Concern, and believe that by continued exertion, and the employment of such means as are hereinafter recommended, the Church periodical will soon become self-sustaining, and that a professional editor may be employed at a remunerating salary. The Committee therefore recommend :

1. That the Conference tender their thanks to the Directory for their faithful attention to the interests of the Book Concern and **METHODIST PROTESTANT**.

2. That we also express our gratification, at the able manner in which the Church paper has been edited by Bro. J. T. MURRAY, and that the Conference tender their thanks to him for the fidelity with which he has discharged the duties of his position ; and that the request of the Directory, to leave Bro. J. T. The report of the Centenary Committee was then taken up and adopted, item by item. After which it was adopted, as a whole, and ordered to be printed in the *Methodist Protestant*. It reads as follows :

The Committee to whom was referred the paper of the Rev. Dr. F. Waters, relating to the *Centenary of American Methodism*, having carefully considered the subject, would respectfully report as follows :

1. That, inasmuch as the *Methodist Protestant Church* is a part of the great *Methodist family*, which dates its commencement in America in the year 1766, it is deemed highly proper that said Church should, in common with all other branches of Methodism, suitably commemorate that important event by the observance of this Centenary. Your Committee have been pleased to learn that in several of the Annual Conferences of the M. P. Church, steps have already been taken to this end ; and we earnestly recommend that the *Maryland Annual Conference* set apart the months of *September* and *October*, 1866, as the portion of the year during which the origin of Methodism in America, shall be celebrated by appropriate services in all the Churches of the Circuits, Stations, and Missions of the Maryland District.

2. We recommend that, in connection with this celebration, the sum of *at least Thirty Thousand Dollars* be raised for the following named purposes :

(1.) To pay off 75 per cent. of the present indebtedness of the *Mission* Churches of this Conference District, so far as that indebtedness was created by the erection of Church edifices, exclusive of ground rents or the purchase of ground.

(2.) To add five thousand dollars to the funds of the *Superannuated Fund Society* or investment.

(3.) To constitute a fund with the residue of the money that may be raised by this effort, to be permanently invested, that the interest therefrom may be used for the benefit of the *Book Concern* of the M. P. Chur ch, located in the city of Baltimore.

3. Your Committee would recommend that for carrying out of the details of the plan for the aforesaid celebration, and for the raising of the aforesaid sum of money, as well as for the appropriation of it to the purposes above named, the following brethren be constituted a *BOARD OF DIRECTORS*, to be known as "*The Central Centenary Board*," namely : Rev. Dr. John J. Murray, Rev. T. D. Valiant, Rev. P. L. Wilson, Rev. J. T. Murray, John Coates, Esq., Dr. H. F. Zollickoffer, John Clark, Esq., of Aisquith St. Station, E. C. Thomas, Esq., and James Bond, Esq.

We would further recommend that all persons, for whom the sum of fifty dollars or more shall be contributed, by themselves or others, be entitled to be registered as *Honorary Members* of said Board.

4. As it is the opinion of your Committee that the celebration contemplated, may, and will be of so interesting a character, that those participating will desire to preserve some suitable token in remembrance of it, we would further recommend that the Central Centenary Board cause to be elegantly engraved a *CERTIFICATE*, with the names of the President and Secretary of said Board, in connection with a *photographic groupe* of the Ministers of the present session of the Maryland Annual Conference, a copy of which shall be given to each person who may contribute five dollars or more to the Centenary Fund ; and also cause to be prepared *medals* with the likeness of Rev. John Wesley, one of which shall be given to every child contributing one dollar or more. The ex-nenses of said certificate, group, and medals, together with any other necessary expenses, to be paid out of the Fund.

5. Your Committee recommend finally, that each minister and preacher connected with the Conference, correspond with the Central Centenary Board in relation to the arrangements for the celebration, in the Churches under charge said minister or preacher.

Devoutly praying that the Great Head of the Church Universal, may crown with His blessing the proposed effort, (if the Conference see fit to enter upon it,) your Committee beg leave to hand over the whole matter to the Conference, with the expression of the entire willingness of each member of the Committee, individually, to do his part toward the accomplishment of the important object proposed in this report.

DAVID WILSON, *Chairman.*
P. L. WILSON,
D. A. SHERMER,
J. T. WARD,
PHILIP E. KENT.

The report of Committee on Statistics was on motion adopted, as a whole.

On motion the Credentials of Revs. Oliver Cox, D. E. Reese and Wm. W. Reese, was restored to them by order of the Conference.

The report of the Committee on Superannuated Claimants was then taken up and on motion, the first Item was so amended, as to place Rev. J. L. Mills on the list of Superannuated Ministers. The second Item in reference to Rev. T. L. McLean was after some discussion, laid on the Table. Conference then adjourned and the Superannuated Fund Society resumed its session.

WEDNESDAY MORNING, MARCH 21.

Conference was opened with religious services by Bro. J. B. Jones.

The report of the Committee on Starr Church was taken up and adopted as follows :

The Committee to whom was referred certain claims against Starr Church, respectfully report that Wm. F. Pentz, entered into legal obligations with Bro. Wesley Starr, to have the house known as "Starr Church," substantially closed in and roofed, and the basement neatly completed and furnished, and that the claims now presented are for material and work done by and under the authority of Wm. F. Pentz, and that he alone is legally responsible for said Claims. It appears that the ministers of the Maryland Annual Conference, at its Session of 1864, pledged themselves to do what they could to raise about \$2000.00. The Committee is not informed how much of this sum has been collected and paid in, but presume that the pledge has been redeemed, by doing all they could under the circumstances. Independent of the Claims of \$4816.84, presented by Wm. Pentz, there are Claims amounting to \$555.81 authorized by Wm. Pentz, but which he now repudiates. The Committee prefer leaving it to the wisdom of the Conference to devise the ways and means of meeting these Claims, should it be thought just or expedient to do so.

W. D. MASSEY,
J. B. MATHEWS.

Resolved, That the Ministers of this Conference, be and they are hereby requested to use their influence, to collect such amounts in their respective fields of labor during the present Conference year, for the purpose of paying as far as practicable the amounts to which reference is made in this report, referred to by the Committee the \$551.81, to be paid first out of the sums collected.

The report of the Committee on Superannuated Claimants was then taken up, and the following resolution was passed :

Resolved, That it is the sense of this Conference that when a minister engages in temporal business, yielding a support, he should not be continued on the Superannuated list.

On motion, Rev. T. L. McLean was assigned as Supernumerary Assistant to Frederick Mission. On motion, Rev. H. P. Jordan was assigned a Supernumerary relation to Anne Arundel Circuit. Bro. G. W. Simpson was left without an appointment at his own request, for one year.

Bro. J. A. McFaden was placed by vote of Conference, on the Superannuated list.

The Conference was then adjourned, to allow the Superannuated Fund Society to resume its session. The session was again resumed. The time for holding the next session of our Annual was, on motion, made the second Wednesday in March, 1867.

The Conference then proceeded to select the place, which resulted in the choice of West Baltimore Station. Conference adjourned with Doxology and Benediction by Dr. F. Waters.

JOHN ELDERDICE,
D. A. SHERMER,
A. S. EVERSOLE.

On motion, the report on collections for the Minutes was adopted. Amount \$101.00. The report of the Committee on furnishing the President's Parsonage, was adopted, which was simply to examine the accounts of Rev. J. T. Murray, in reference to moneys expended for repairs and furniture, to pronounce them correct.

On motion of J. T. Murray, Bro. Philip E. Kent was appointed a Committee on President's Parsonage, with authority to receive all monies due for furnishing the same, and all accruing from rent of the property. He is also empowered to apply the money received to paying the bills upon the the Parsonage, furnishing it with such articles as it may need, and keeping the property in repair.

The Committee on Itinerancy and Orders brought in a third report, recommending Bro. John Davis for Deacons' Orders which was adopted ; and on motion, it was ordered

that he be ordained in one of the Churches of Baltimore sometime during the Conference year, at the convenience of the President.

On motion of Rev. D. W. Bates, and others, it was resolved to appoint three fraternal Messengers to visit the next session of the Pittsburg Annual Conference of the M. P. Church. The Committee on Sabbath Schools made the following report, which was adopted :

Your Committee on Sabbath Schools beg leave to offer the following as their report.

It is the subject of profound gratitude to Almighty God, that our Sabbath schools have received, during the year, in a highly encouraging degree, the Divine sanction, in the hopeful conversion of many of our children. Notwithstanding this success, your committee are of opinion that several important improvements may be made in their organization and management.

It is the source of a very deep and sincere regret, that our Sabbath Schools, generally, are composed of little children, and youth, with a very small minority of the members of the churches in the capacity of officers and teachers; while the adults who have been brought up in the Schools, and the older and more experienced members of the Church, together with the members of the Congregation, are almost entirely dissociated from them. Your committee would respectfully suggest, as a remedy of this evil, the importance of a re-organization of our Sabbath Schools, on a plan that will encourage the participation of the *entire Church and Congregation*, as far as practicable, in the labors and benefits of the Schools. This, it is believed, may be accomplished, in most cases by the joint endeavors of the Pastor and the Superintendent of the Sabbath Schools.

Your committee also think it is to be regretted that the action of our last annual session, looking to the publication of a Sunday School paper of our own Church, has as yet accomplished nothing, but we express the hope that the pressing necessity which exists for such a publication, will result ere long in entire success.

In furtherance of the interests committed to them, your committee would respectfully recommend the adoption of the following resolutions :

Resolved 1st. That an Executive Sabbath School Committee, of the Maryland District, be appointed by the President, consisting of five ministers, and four laymen, who shall have power to call a Sabbath School Convention, at such time and place, during the year, as they in their best judgment, may determine.

Resolved 2nd. That the ministerial members of this Conference, and one delegate from each Circuit, Station and Mission, shall be entitled, each, to a seat in said convention.

Resolved 3rd. That our delegates to the ensuing General Conference, be requested to call the attention of that body, to the importance of bringing the Sabbath Schools into an official and responsible relation to the Church.

With reference to the very important item referred from the President's report to us, your committee respectfully and earnestly recommend as follows :

1. That Superintendents of Circuits, Stations and Missions be kindly urged to organize into classes, according to Discipline, page 62, the children received into probationary membership by baptism.

2. That these classes be called together for chatechetical instruction, by their Pastor, or some one appointed by him not more than once a week, nor less than once a month.

In concluding our paper, your committee would take occasion to say, that in their opinion, additional legislation on this subject, by the General Conference, is necessary to give general satisfaction, and secure a uniform execution of this Disciplinary law.

All of which is respectfully submitted,

R. SCOTT NORRIS, *Chairman.*

J. T. MURRAY,

REV. THOMAS H. B. AUSTIN.

[As the readers of the **PROTESTANT** have been apprized, it becomes my painful duty, briefly to record the incidents of the life and death of my youthful and lamented colleague, of which melancholy event the readers of the **PROTESTANT** have already been informed. The Great Head of the Church having determined that the last months of his ministerial life, should be spent in co-operative labors on this Circuit, with myself, I accept as providential, the delicate and melancholy duty I am now called upon to perform. And I do this the more cheerfully, from his having at the last session of our Annual Conference, with child-like simplicity and sincerity, expressed personally his gratification in being assigned as my co-laborer in the itinerary. As I cannot, in any sense, "care for him" as living, it is fitting and proper I should fulfil my obligations to his memory, now that he is dead.

Extract from Biographical sketch, written by Rev. David Wilson for the **METHODIST PROTESTANT**.]

REV. THOMAS HART BENTON AUSTIN, son of Thomas and Elizabeth Austin, was born in Baltimore, Md. Died June 26th, 1865, aged 23 years.

Our acquaintance with Bro. AUSTIN dates back to a period nearly coincident with the founding of the Broadway Mission, under the superintendence of Rev. Jesse Shreeve, in the fall of eighteen hundred and sixty. He professed conversion and united himself with the Methodist Episcopal Church at the Jefferson Street Station; himself, mother and father, not long after connecting themselves with the Methodist Protestant Church.

Very soon thereafter his thoughts and feelings were engaged in an effort to fit himself for the discharge of the duties of the Gospel ministry. He longed ardently for a more thorough preparation than he could probably obtain. Meantime our admirable Methodist system, giving active employment to all available talent, developed his talents much more rapidly than he had reason to expect. The class-room and the revival meeting kept him constantly and usefully employed. Rev. Dr. Waters and J. Shreeve, superintended, to the extent of advice, as to the books to be read, and the manner of reading—furnishing additional instruction in sermonizing, &c. Unfortunately, his means were limited, and even this unsatisfactory work of preparation had to be abandoned. Rev. P. L. Wilson, being alone in the midst of his protracted-meeting labors, on Pipe Creek, it was suggested that he should remain with him, rendering all the available assistance possible in these revival labors. Here it may properly be said he commenced his ministry. It is the universal verdict, that his labors were most acceptable and useful. The Church generously supplied clothing, money, and all which was essential as a necessary preparation to his entrance upon his regular itinerant labors the ensuing spring.

He was received at the Conference at West Baltimore, and appointed as Assistant on Union Circuit, with Rev. J. A. McFaden. The next spring he was sent to Kent, with Revs. L. W. Bates and R. S. Rowe. About the middle of the year, he was unfortunately drafted into the military service of the United States. Bewildered, frightened, dispirited, and withall destitute of means with which to procure a substitute, and at the time temporarily absent from his field of labor, during which

period he had been appointed to succeed Rev. Jno. D. Kinzer on Frederick mission, he unwisely determined to abandon all and flee to Canada. He passed the military frontier unchallenged, and remained there laboring at his vocation, as a printer, for several months. Better counsels prevailing, he returned, submitted to a medical examination, and was discharged. We have often heard him refer to the sensation of relief afforded him after having passed successfully this terrible ordeal. Others may, but under all the circumstances, though we did not approve, we had not the heart to condemn the course he pursued.

His appointment to Howard Circuit, he was always wont to speak of as a most providential and auspicious event. And it is not too much to affirm that his qualification was fully reciprocated by the entire Circuit. Said a prominent member of the Church to the writer a few days ago, "No young minister ever labored in this community within my recollection, who, in so short a time, made so favorable an impression." He was universally beloved. Members of our own and members of other Churches, were alike kind and attentive, and he would have shown an extraordinary degree of steadfastness and humility, had he passed this popular ordeal entirely unscathed. This was our only fear, yet it is but justice to his memory to say that he seemed subdued, melted, and humbled by these manifestations of kindness and approval.

For several weeks prior to his death he was greatly depressed by an obstinate bilious derangement. With two exceptions, however, he met all his appointments, and at the time of the fatal accident was in better health and spirits than usual.

On the day before his death he preached with unusual fervor and acceptance at "Linthicum Chapel," and "All Saints."

In the morning he announced the 386th and 408th hymns, in the commencement and conclusion of the services. Can it be, that these selections were accidentally made? In view of his then near and unexpected end, the concluding stanzas are remarkably apposite, leaving the conviction that the Holy Spirit was then sitting upon his soul as a "refiner and purifier of silver," consuming the dross of sin, and preparing him for the communion and companionship of the "Saints in light." In the afternoon, at "All saints," he was unusually solemn and pathetic in his appeals to the young. That evening he remarked to sister G—, "*I have this day dedicated myself anew to God:*" giving this as a reason for his refusal to mingle in the society of some young ladies assembled in the parlor. Doubtless, (angels) were already poising round him for their heavenward flight. He was no longer of earth. His place was already prepared and waiting in the mansion of the blessed. Several weeks before his death, in visiting the graves of his father and brother, with his mother, he expressed the conviction that he would be the next member of the family to follow them to the tomb. Such incidents we are aware have special interest only to surviving relatives and friends. They serve to show, nevertheless, that God, in His good Providence, strangely deepens and intensifies the spiritual impressions of His children in view of their near and unexpected entrance upon the scenes of the untried and invisible world.

We are aware that much of the interest which now attaches to his brief history, springs from the melancholy circumstances attendant upon his death. This sad event deepened and intensified the favorable impressions made by his youthful ministry. Had he died from sudden stroke of disease, the affliction would have been far less painful. Notwithstanding, he was possessed of many excellent and interesting traits

of character, such as in any sphere of labor would have insured him popularity and success. Self-reliant, affable and courteous in manner; kind and generous in disposition; he impressed favorably all with whom he associated.

Of Brother AUSTIN, as a preacher, we are scarcely prepared to speak. Hearing him but once, at night, when the heat was excessive and the audience small, we were compelled to form the estimate of what he was in the pulpit from the statements of others. Suffice it to say, he was destined ere long to hold a position as a preacher much in advance of his years.

He was enthusiastically attached to the interests and principles of the Methodist Protestant Church. With him, Church interests seemed nearly equal to his love for souls.

A mysterious providence has suddenly terminated his earthly labors. It is well. With his grief-stricken relatives, and his scarcely less afflicted friends, we bow submissively to the Divine Will, believing his work was done. As in earthly contests, the youthful warrior, who snatches the standard, plants it first upon the frowning ramparts of the enemy, is the first to fall, while the sturdy veterans of many years stand unscathed; so also is it in the spiritual conflicts of the Church.

"Servant of God! well done,
Rest from thy loved employ;
The battle's fought, the victory's won,
Enter thy Master's joy."

OF INTEREST TO LADIES.

Those having Sewing Machines that are complicated, difficult to manage, and which they are unable to use with comfort, should dispose of them and get

GROVER & BAKER'S CELEBRATED SEWING MACHINES,

as hundreds are doing, and prove by actual test, to their own satisfaction and comfort, that the Grover & Baker works easier, and is more easily worked. Does neater work. Does stronger work. Does a greater variety of work, and gives satisfaction in every instance where other machines fail to please, as thousands attest.

We speak from experience when we say that, after having tried all the principal Sewing Machines, we must accord to Grover & Baker the pre-eminence. Those indispensable features of sewing—strength, uniformity and elasticity—all of which are brought out in this incomparable invention, make it the first Sewing Machine in the country.—*New York Christian Advocate and Journal.*
